

MATERIAL SUBSTITUTION REQUEST

Date: _____
Project: _____

We hereby submit **Litex's** _____, a product distributed by _____, for your review as a **PRODUCT SUBSTITUTION** for the Specified Material for the above listed project.

Section: Finishing Division 9

Specified Material: _____

Specified Manufacturer: _____

Proposed Substitution: _____ **by Litex Incorporated**, distributed by _____.

Attached are the complete data sheets (the products used for equivalency of specified finish) including laboratory tests, as necessary.

Included is the complete information on changes to the Construction Documents (Product Application) required by the Litex Incorporated for proper installation of these products.

The following issues should be taken into consideration:

1. The use of this product system is applicable to this project in the location described and will be warranted in the same manner as the Specified Product, for a period of _____ **YEARS**, if applied according to manufacturer's application guidelines.
2. The substitution of this material for the Specified Product will not affect the dimensions shown on the drawing in any way.
3. This substitution for the Specified Product, to the best of the supplier's knowledge, will not affect other trades working on this project.
4. The enhancing differences between the proposed Product Substitution and the current Specified Product include but are not limited to the following:
 - a) The manufacturer's warranty of is equal or greater in length and scope than the Specified Product.
 - b) The material availability and customer service network is nationwide through The Sherwin-Williams Company and other fine retailers.
 - c) The material color selection is not limited to manufacturer's or distributor's color samples but can be matched to any sample provided.
 - d) The material can be used to achieve a multitude of finishes including those available from the Specified Product.

Thank you for your consideration.
